### **KICK-OFF TIMES ON INTERNATIONAL MATCH DAYS**

When League/Cup matches fall on the same weekend as a home international match, clubs are encouraged to support the national team by not playing in direct conflict with the international game. As a result clubs can agree to play their match on any day of the weekend with the usual approval from the relevant Competition Secretary. Should clubs wish to play their match on the actual day of a home International match kick-off must take place no later than 2 hours before the kick-off of that International match.
