

RUGBY CURRICULUM VITAE *(not more than 350 words)*

I am married to Anne, live in Earlston and have one son. Away from rugby my pursuits are tennis, photography and walking.

Education

(1972-78) Galashiels Academy

(1978-82) Heriot-Watt University, BSc (Ord) - Building Economics & Quantity Surveying.

Employment

Since graduating from University I have worked as a Quantity Surveyor with several Borders & Edinburgh companies, presently I am working with SBC Contracts based at Newtown St Boswells.

RUGBY

Playing

My rugby playing career started at school, moved onto University and during those years I started playing with my home club Earlston RFC. I finally "hung up" my boots having played for Earlston over a period of 20 years, mainly for the 1st XV in District and National Leagues.

Rugby Administration

I have a member of the Earlston Rugby Committee since the mid 1980's, becoming match secretary soon after, then fixture secretary. During the years 1996-98 I had the great privilege of being Club President. In 2002 I was honoured to be elected onto the Scottish Borders Rugby Union Board.

From 2006 to 2012 I was the SRU Council member representing the Border Regional Clubs which I served with great pride. Since 2012 that I have been Secretary to the Borders Regional Forum and also a member of the East League Competitions Committee continuing my representation of the Borders Regional Clubs playing in the East Leagues.
